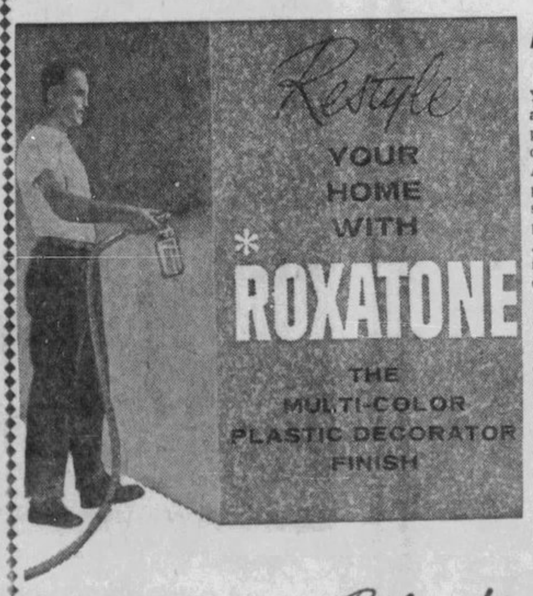
ROXATONE*

was used extensively in the *Sandringham* **Apartments**



You can make your home a neighbourhood showplace too . . . with modern ROXATONE styling! A single coat over any properly primed or sealed surface gives tone-on-tone patterns in 2, 3 or 4 colors . . . and you can choose from 38 decorator-balanced combinations.

Your ROXATONE walls will be literally child-proof; the plastic finish resists scratching and chipping, can be washed, even scrubbed with solvents and household detergents without damage. ROXATONE outlasts conventional paints by more than 3 to 1!

You'll find your local ROXATONE Dealer listed in the yellow pages of your telephone directory. See him soon and

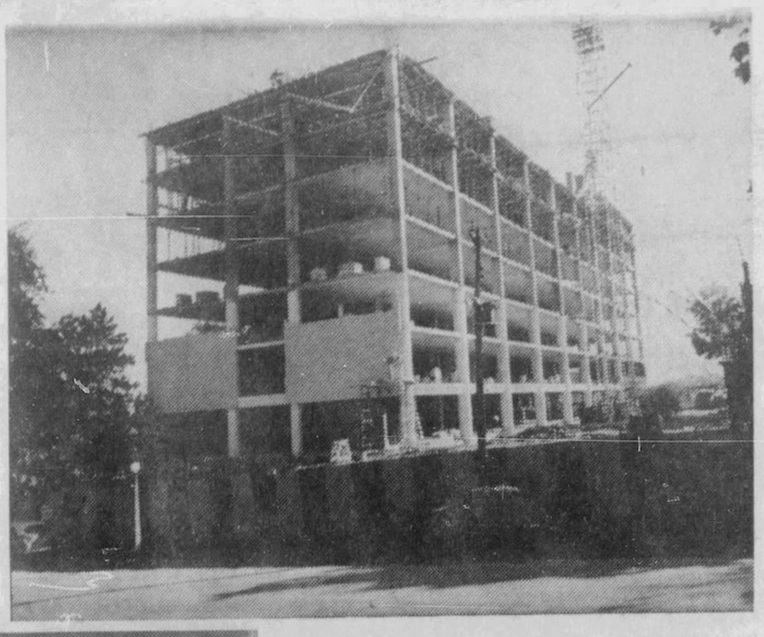
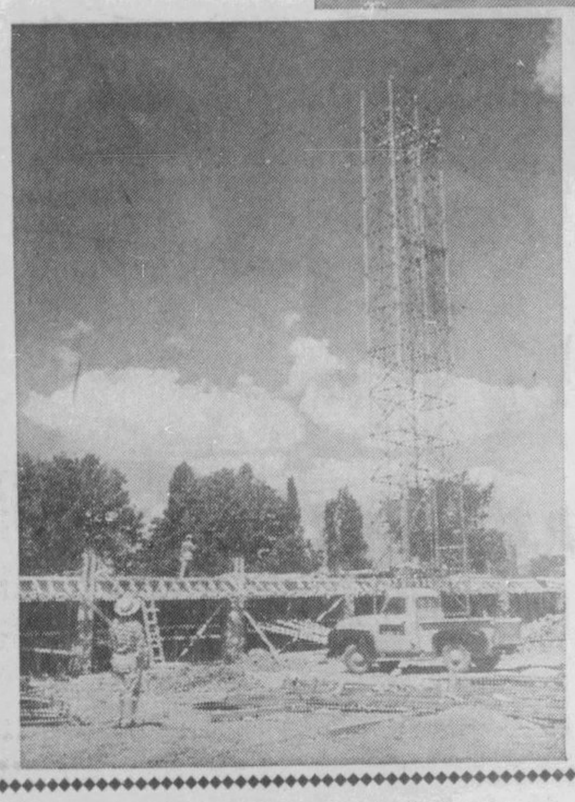
The Building Grows . . .

Seven of the ten storeys have taken shape at this stage as the superstructure of Ottawa's finest new apartment building takes shape.



Reaching Into The Sky . . .

The ten-storey structure almost entirely enclosed is a striking addition to Ottawa's skyline. Luxurious and spacious living is the keynote in this custom built apartment-residence to be known as "Ottawa's Address of Distinction".



In The Early Stages

The foundation forms are in place und the 10-storey Sandringham Apartment building begins to grow.
